ABOUT

Giap Nguyen started Straight to the Point Archery in 2005. He's an avid and accomplished archer himself, having competed with the United States Archery Team in the 2000 Summer Olympics. He has three children, and started Straight to the Point in part because he was not satisfied with the archery eduction options for them in Tacoma.

After The Hunger Games books and movies came out, he noticed a surge in popularity of archery among young people, especially young women, and the business has been booming ever since.

CLASSES

From Beginner to Elite, archers of all ages and ability learn about this exciting Olympic and international sport. Sign up for a group lesson, private class, schedule a birthday or corporate party or compete at one of our many tournaments.

Straight to the Point Archery also offers homeschooling programs, kids club events, YMCA classes, Boy and Girl Scouts achievement programs and several other youth group activities.
